Ash Cash Exantus Bio

@lamAshCash

Ash Cash Exantus is one of the top financial educators in the world. He uses a culturally responsive approach in teaching financial literacy, wealth building, & entrepreneurship. Dubbed the Financial Motivator, he is also a speaker, 5x bestselling author, and creator of the **#1 Community** for Financial Spirituality. Inside the Abundance Community, he uses ancient spiritual text and universal laws to prove that Abundance is Your Birthright and teaches you how to access that **Abundance NOW!**

Ash Cash's unique approach to financial education has made him a household name in the industry. His books, including his memoir, "From the Block to The Bank: How to Make The Most of Your Circumstance to Maximize Your Full Potential," have been highly acclaimed, and his speaking engagements have impacted countless lives. His work has been featured in major media outlets, and he continues to inspire and motivate individuals and families towards achieving financial freedom.

In addition to his impressive career accomplishments, **Ash Cash** has also made a significant impact on the lives of countless individuals and families. Through his various platforms, he has directly helped create numerous millionaires and has helped thousands of families break free from the generational mindset of poverty and create true financial freedom.

To further his mission of empowering people with financial knowledge, Ash Cash hosts "Inside the Vault with Ash Cash," which is a top 200 business podcast that charts in **26 countries** and has been seen over **4 million times**, every Thursday at 8pm ET/7pm CT on Earn Your Leisure's popular YouTube channel and various podcast networks. He also offers daily financial insights and guidance through his social media channels, including the popular **@lamashcash** account.

Ash Cash has unwavering faith in God and believes that everyone has an obligation to their higher power to be the best that they can be. He is married to his best friend and business partner of over 20 years, proud father of two children, enjoys playing basketball & goes by the nickname Shaq because of his superhuman strength & unstopableness in the paint.
